| # | Project | Tracker | Status | Priority | Subject | Assignee | Target version | Category | Sponsored | Start date | Estimated time |
|-------|-------------------------|---------|-------------|----------|---|-----------------|----------------|---------------------|-----------|------------|----------------|
| 4125 | Access to Memory (AtoM) | Bug | New | Low | YUI upload swf tool fails when using hostnames like "foobar.local" | | | | | | |
| 11191 | Access to Memory (AtoM) | Bug | Feedback | Medium | XML representation caching for EAD: changing a child record to draft deletes cached EAD XML even if the parent is published | Mike Cantelon | | XML import / export | No | 05/25/2017 | |
| 5985 | Access to Memory (AtoM) | Bug | New | Medium | XML export view doesn't work in mobile | | | Mobile | No | 11/16/2013 | |
| 8587 | Archivemata | Bug | Deploy | Medium | wrong rotated dashboard.log permissions causes errors in archivemata ingests | Hector Akamine | | | No | 06/19/2015 | |
| 10722 | Archivemata | Task | In progress | Medium | Write gherkin tests for PREMIS Events | Evelyn McLellan | Release 1.7.0 | PREMIS | No | 12/31/2016 | |
| 10436 | Archivemata | Task | In progress | Medium | Write Gherkin feature spec for AIP re-ingest | Evelyn McLellan | Release 1.7.0 | Documentation | No | 10/18/2016 | |
| 5201 | Access to Memory (AtoM) | Bug | New | Low | Wrap long url links | | | CSS/HTML | No | 06/07/2013 | 3.0 |
| 2703 | AtoM Wishlist | Feature | New | Low | working drafts | | | | | | |
| 3530 | Access to Memory (AtoM) | Bug | New | Low | When uploading digital object that is larger than post_max_size, getting 404 page not found error | | | | | | |
| 3453 | AtoM Wishlist | Feature | New | Low | When searching on non-preferred terms, search results screen should show both preferred and non-preferred term | | | | | | |
| 6167 | AtoM Wishlist | Feature | New | Medium | When search limited to single repository, limit autocomplete results for authority records to those linked to repository | | | | No | 01/02/2014 | |
| 6166 | AtoM Wishlist | Feature | New | Medium | When search limited to single repository, hide repository results from autocomplete | | | | No | 01/02/2014 | |
| 5782 | Access to Memory (AtoM) | Bug | New | Medium | When scrolling PRINT list for Physical Storage, text runs over the interface. | | | Printing | No | 10/10/2013 | |
| 3515 | Access to Memory (AtoM) | Bug | New | Low | When reparenting descriptions using move button, move browse and search results do not show draft status | | | | | | |
| 5885 | Access to Memory (AtoM) | Bug | New | Low | When redesigning Newest additions, add padding between title/icon and table | | | CSS/HTML | No | 10/28/2013 | |
| 3529 | Access to Memory (AtoM) | Bug | New | Low | When moving information objects, searching for new parent record retrieves actors as well as information objects | | | | | | |
| 4127 | Access to Memory (AtoM) | Bug | New | Medium | When moving information objects, list of objects to be moved appears in search results | | | | | | |

| # | Project | Tracker | Status | Priority | Subject | Assignee | Target version | Category | Sponsored | Start date | Estimated time |
|-------|-------------------------------|---------|-------------|----------|--|---------------------|----------------|---------------------|-----------|------------|----------------|
| 4123 | Access to Memory (AtoM) | Bug | New | Medium | When editing creation event, creator name disappears from edit template | | | | | | |
| 3479 | Access to Memory (AtoM) | Bug | New | Low | When creating new user translation languages don't "stick" | | | Access Control | No | | |
| 3318 | Access to Memory (AtoM) | Bug | New | Low | When adding translate permission to a user, Authority record permissions displaying translate permissions for an untitled object | | | Access Control | | | |
| 3498 | Access to Memory (AtoM) | Bug | New | Low | When adding place in DC event dialogue, place does not appear as coverage access point in edit screen | | | | | | |
| 13101 | Access to Memory (AtoM) | Bug | Feedback | Medium | When "Enable description change logging" is set to "yes", all Description updates are hidden | | | Description updates | No | 06/26/2019 | |
| 3297 | Access to Memory (AtoM) | Bug | New | Low | Warnings on data load when referenced images do not exist | | | | | | |
| 5335 | Access to Memory (AtoM) | Bug | In progress | Medium | Warning encountered in EAD import when there are more than one archivist's notes | José Raddaoui Marín | Release 1.4.0 | Import/Export | No | 07/11/2013 | 4.0 |
| 2823 | Access to Memory (AtoM) | Bug | New | Low | Warn user when duplicate reference code is being created | Peter Van Garderen | | | | | |
| 5968 | AtoM Wishlist | Feature | New | Medium | virtual institutional database - limit search/browse to single institution and maintain state | Tim Hutchinson | | | No | 11/13/2013 | |
| 4709 | Access to Memory (AtoM) | Bug | New | Medium | very long slug causes server error | | | Security | No | 02/20/2013 | |
| 10273 | Archivematica Storage Service | Bug | QA/Review | Medium | versions page broken in centos package install | Kelly Stewart | 0.11.0 | | No | 09/05/2016 | |
| 10274 | Archivematica | Bug | New | Medium | version in am dashboard shows 1.5.0 with 1.5.1 centos package. | | Release 1.5.1 | | No | 09/05/2016 | |
| 5258 | Archivematica Storage Service | Task | New | Medium | Verify filesystems are accessible by storage service | | | | No | 06/19/2013 | |
| 8568 | Access to Memory (AtoM) | Bug | New | Low | Various fields are duplicated on csv:import if 2 rows have the same legacyId | Mike Gale | | CSV import | No | 06/17/2015 | |
| 3136 | Access to Memory (AtoM) | Bug | New | Low | Validation of level of description should take into account levels custom added by users | | | | | | |
| 8797 | Access to Memory (AtoM) | Bug | New | Medium | Users can enter year '0000' for creation (and other?) events | | | Form validation | No | 08/11/2015 | |
| 3324 | Access to Memory (AtoM) | Bug | New | Low | User without view master permissions can view and download scalable vector graphics masters | | | Access Control | | | |
| 3659 | Access to Memory (AtoM) | Bug | New | Low | User with update permissions for only one repository can update other repositories' records | | | Access Control | No | | |

| # | Project | Tracker | Status | Priority | Subject | Assignee | Target version | Category | Sponsored | Start date | Estimated time |
|-------|-------------------------------|---------|-------------|----------|---|---------------------|----------------|---------------------------|-----------|------------|----------------|
| 5420 | Access to Memory (AtoM) | Bug | New | Medium | User with permissions for only one repository can link descriptions to other repositories. | | | Access Control | No | 07/27/2013 | |
| 3423 | Access to Memory (AtoM) | Bug | New | Low | User with permission to create, edit and update authority records gets permission denied error | | | | | | |
| 13419 | Access to Memory (AtoM) | Bug | New | Medium | User group permissions for Authority Record digital objects don't exist | Douglas Cerna | Release 2.7.0 | Actor | No | 09/18/2020 | |
| 3045 | Access to Memory (AtoM) | Bug | New | Low | user comments | | | | | | |
| 13272 | Access to Memory (AtoM) | Task | New | Medium | Use resource's id instead of the full resource to create/update the Elasticsearch document | | | Performance / scalability | No | 03/13/2020 | |
| 10844 | Archivematica Storage Service | Feature | QA/Review | Medium | Use parallel bag validation processes | | 0.11.0 | | No | 01/31/2017 | |
| 3618 | AtoM Wishlist | Feature | In progress | Medium | Use events table for defining "dates of existence" | José Raddaoui Marín | | | No | | 5.0 |
| 13273 | Access to Memory (AtoM) | Task | New | Medium | Use Elasticsearch's "update by query API" to update related resources | | | Performance / scalability | No | 03/13/2020 | |
| 6468 | Archivematica Storage Service | Feature | New | High | use Collection instead of label for name of new transfer in Sword API | Mike Cantelon | | Sword API | Yes | 03/18/2014 | |
| 4270 | AtoM Wishlist | Feature | New | Medium | Usability - Change Class of Materials Area (RAD) template from single fields interface to drop-down lists | | | | | | |
| 12659 | Access to Memory (AtoM) | Bug | New | Medium | URL for export from clipboard incorrect if AtoM not installed in default location | | | | No | 12/20/2018 | |
| 3471 | Access to Memory (AtoM) | Bug | New | Low | Uploaded office documents (odt, doc, ppt etc.) being processed as "other" rather than as text | | | | | | |
| 1910 | Archivematica | Feature | Feedback | Low | Upload submission documentation during transfer upload | Mike Cantelon | | Workflow | No | | |
| 4660 | Archivematica | Feature | New | Medium | Upload DIPs to DSpace | | | Access | No | 02/12/2013 | |
| 2056 | AtoM Wishlist | Feature | New | Low | upload (and search) the full text of textual documents or transcriptions of audio/video documents | | | | | | |
| 7366 | Access to Memory (AtoM) | Bug | New | Medium | Upgrade to jQuery 2.x | | | CSS/HTML | No | 10/14/2014 | |
| 2726 | AtoM Wishlist | Feature | New | Low | upgrade MODS support to DLF Level 3 | Peter Van Garderen | | | | | |
| 2911 | AtoM Wishlist | Feature | New | Low | upgrade i18n settings to symfony 1.2 form pattern | | | | | | |
| 13611 | Access to Memory (AtoM) | Task | New | Medium | Upgrade Analytics and Tag Manager support for G4 | | Release 2.7.0 | Reporting | No | 04/11/2022 | |

| # | Project | Tracker | Status | Priority | Subject | Assignee | Target version | Category | Sponsored | Start date | Estimated time |
|-------|-------------------------------|---------|-------------|----------|---|---------------------|----------------|---------------------------|-----------|------------|----------------|
| 13613 | Access to Memory (AtoM) | Bug | New | Medium | Updating visible elements adds a "_csrf_token" setting to the database | | | Administration / settings | No | 05/10/2022 | |
| 2793 | Access to Memory (AtoM) | Bug | New | Low | Update user interface translation page | | | | | | |
| 6081 | Archivematica | Task | In progress | Medium | Update to get sharedDirectory from Storage Service | | Release 1.7.0 | Storage | No | | |
| 13537 | Access to Memory (AtoM) | Feature | QA/Review | Medium | Update PHP Coding Standards Fixer (PHP-CS-Fixer) configuration for v3 compatibility | | Release 2.7.0 | Continuous Integration | No | 06/28/2021 | |
| 11465 | AtoM Wishlist | Feature | New | Medium | Update multi-upload widget with something HTML5 based to replace Flash dependency | Mike Gale | | | No | 08/29/2017 | |
| 10881 | Archivematica | Task | QA/Review | Medium | Update METS schema URL in METS file namespaces | Sarah Romkey | Release 1.7.0 | METS | No | 02/14/2017 | |
| 3950 | AtoM Wishlist | Feature | New | Medium | Update FluentDOM | | | | | | |
| 8647 | Archivematica | Feature | QA/Review | Medium | Update FITS script to use a named pipe instead of stdout | | Release 1.7.0 | FITS | No | 07/06/2015 | |
| 13405 | Access to Memory (AtoM) | Task | QA/Review | Medium | Update Docker VCL to allow switching of language | | | Performance / scalability | No | 08/15/2020 | |
| 8618 | Access to Memory (AtoM) | Feature | New | Low | Update date format in ES documents | | | Search / Browse | Yes | 06/29/2015 | |
| 6578 | Archivematica | Task | New | Low | Update Archivematica to obey the FHS | | | | No | 04/09/2014 | |
| 3509 | Access to Memory (AtoM) | Bug | New | Low | Update actor and repository delete confirmation message to warn about related objects | José Raddaoui Marín | | | | | 3.0 |
| 5816 | Archivematica | Bug | New | Medium | unrar-free can't decompress all RAR archives | | | Extraction | No | 10/17/2013 | |
| 9589 | Archivematica | Bug | New | Medium | Unpacking event doesn't show extraction tool information | | | PREMIS | No | 03/17/2016 | |
| 13492 | Access to Memory (AtoM) | Bug | QA/Review | Medium | Unit tests fail on Docker | | Release 2.7.0 | Tests | No | 03/27/2021 | |
| 10060 | Archivematica | Feature | New | Medium | Unidentified files report | | | | Yes | 06/22/2016 | |
| 9633 | Archivematica | Bug | New | Medium | Uncaught exception when creating METS | | | | No | 03/29/2016 | |
| 6807 | AtoM Wishlist | Feature | New | Medium | Unattended installation via a "kickstart" file and/or PEAR package | | | | No | 06/10/2014 | |
| 2085 | AtoM Wishlist | Feature | New | Low | UI for editing / import dynamic metadata element set | | | | | | |
| 10674 | Archivematica Storage Service | Bug | QA/Review | Medium | Typo preventing fixity app from returning all information | | 0.10.0 | | Yes | 12/12/2016 | |
| 6219 | AtoM Wishlist | Feature | New | Medium | Tweaks to treeview / quick search heading | | | | No | 01/17/2014 | |

| # | Project | Tracker | Status | Priority | Subject | Assignee | Target version | Category | Sponsored | Start date | Estimated time |
|-------|-------------------------|---------|-------------|----------|---|---------------------|----------------|-------------------|-----------|------------|----------------|
| 4464 | Access to Memory (AtoM) | Bug | New | Medium | Treeview labels not truncating in IE8 except Trillium theme | | | Menu / navigation | No | 12/20/2012 | |
| 6574 | Access to Memory (AtoM) | Bug | New | Medium | Treeview doesn't show expected descriptions when sorting by identifier-title | | | Treeview | No | 04/09/2014 | |
| 5506 | Access to Memory (AtoM) | Bug | New | Low | Treeview breaks when expanding a node | José Raddaoui Marín | Release 1.4.0 | Treeview | No | 08/23/2013 | 3.0 |
| 3667 | Access to Memory (AtoM) | Bug | New | Medium | Translator group should include default view draft setting | | | Access Control | No | | |
| 4281 | Access to Memory (AtoM) | Bug | New | Medium | Translator group default permissions should not include Add New and Delete actions for repositories | | | Access Control | No | | |
| 4279 | Access to Memory (AtoM) | Bug | New | Medium | Translator cannot edit published descriptions - permission denied | | | Access Control | No | | |
| 11034 | Access to Memory (AtoM) | Bug | New | Medium | Translation bar is broken on the Archival institution view page when repository is themed | | | I18N | No | 04/04/2017 | |
| 2224 | AtoM Wishlist | Feature | New | Low | Translate bar: add info about translation status of current record | Peter Van Garderen | | | | | |
| 6082 | Archivematica | Task | New | Low | Transfers and SIPs should store their name in the DB | | | | No | | |
| 10786 | Archivematica | Bug | New | Medium | Transfer with FLV file extension failing to characterize and extract metadata | | | | No | 01/18/2017 | |
| 6066 | Archivematica | Bug | New | Low | Transfer can get put in limbo by mistake | | | | No | 12/02/2013 | |
| 5741 | Access to Memory (AtoM) | Bug | New | Medium | Title should be weighted in search results for authority records and institutions | | | Search / Browse | No | 10/03/2013 | |
| 8669 | Access to Memory (AtoM) | Bug | New | Medium | Timing out when downloading external digital objects terminates the entire import process | Mike Gale | | EAD | No | 07/08/2015 | |
| 7736 | Archivematica | Bug | In progress | Medium | tesseract taking a long time / failing with some content | | | | No | 12/18/2014 | |
| 13580 | Access to Memory (AtoM) | Bug | New | Medium | Terms i18n - Use for label translations will not display on view pages; adding separate secondary culture UF label can delete source culture UF label | | | Taxonomy / Term | No | 10/29/2021 | |
| 7459 | Access to Memory (AtoM) | Bug | New | High | Term page times out when the form is submitted | | | Taxonomy / Term | No | 11/03/2014 | |
| 13063 | Access to Memory (AtoM) | Bug | New | Medium | Term maps no longer rendering with Code field due to changes in Maps API key requirements | | | Web service API | No | 05/28/2019 | |
| 12520 | Access to Memory (AtoM) | Bug | New | Medium | Term index page shows all child terms without paging | | | Taxonomy / Term | No | 10/17/2018 | |
| 3946 | Access to Memory (AtoM) | Bug | New | Low | Taxonomy names are not consistent | | | | | | |

| # | Project | Tracker | Status | Priority | Subject | Assignee | Target version | Category | Sponsored | Start date | Estimated time |
|-------|-------------------------------|---------|-------------|----------|---|------------------|----------------|---------------------------|-----------|------------|----------------|
| 13614 | Access to Memory (AtoM) | Feature | New | Medium | Task to display/query configuration | | | CLI tools | No | 05/12/2022 | |
| 9074 | Archivematica Storage Service | Bug | New | Low | Table in Packages Tab for Storage Service very large in Chrome | | | | No | 10/19/2015 | |
| 1586 | Archivematica | Feature | New | Low | Synchronize metadata updates in access systems to AIP | | | AIP Management | No | | |
| 2157 | Access to Memory (AtoM) | Bug | New | Low | symfony cache system for ORM identity map? | | | | | | |
| 11163 | Archivematica | Task | Deploy | Medium | Switch to UTF8 encoding for METS file | Santiago Collazo | | | No | 12/01/2016 | 8.0 |
| 13519 | Access to Memory (AtoM) | Feature | QA/Review | Medium | Support Varnish bypass for authenticated users | | | Performance / scalability | No | 06/02/2021 | |
| 13331 | Access to Memory (AtoM) | Feature | New | Medium | Support the default sql_mode from MySQL 8 | | | Data model / ORM | No | 05/25/2020 | |
| 7230 | Archivematica | Feature | New | Medium | Support separate display labels for directories created in SIP arrange | | | SIP Arrange | No | 09/10/2014 | |
| 3936 | AtoM Wishlist | Feature | New | Low | Support large digital objects upload | | | | | | |
| 10284 | Archivematica | Task | New | Medium | Support in Ansible for deploying JavaScript apps like appraisal tab and transfer browser | | | | No | 09/08/2016 | |
| 10561 | Archivematica Storage Service | Task | QA/Review | Medium | Support for fixity check result "None" | | 0.10.0 | | No | 11/16/2016 | |
| 5555 | Archivematica Storage Service | Feature | New | Medium | Support CIFS in storage service | | | Plugins | No | | |
| 6456 | Preservation Planning Module | Feature | Code Review | Medium | Support characterization of video using ffmpeg's framemd5 | | | | No | 03/14/2014 | |
| 10285 | Archivematica | Task | New | Medium | Support AIP migration deployment (Celery + Redis) in Ansible and package deploys | Hector Akamine | | | No | 09/08/2016 | |
| 13389 | Access to Memory (AtoM) | Feature | QA/Review | Medium | Support ability for reverse proxies, like Varnish, to cache content that's not in the default culture | | Release 2.7.0 | Performance / scalability | No | 07/19/2020 | |
| 10391 | Access to Memory (AtoM) | Bug | New | Medium | Submitting archival description with Safari results in 500 error | | | Information object | No | 10/04/2016 | |
| 8396 | Archivematica | Bug | New | Low | Store DIP location does not create alert in dashboard header | | | Dashboard | No | 05/06/2015 | |
| 11476 | Archivematica | Bug | QA/Review | High | Store DIP failing | Kelly Stewart | Release 1.7.0 | | No | 10/30/2017 | |
| 5059 | Archivematica | Feature | New | Medium | Store copies of METS files outside AIPs to enable faster ES re-indexing | | | Data management | No | 05/09/2013 | |
| 7167 | Access to Memory (AtoM) | Bug | New | Medium | Storage names that share a name, location and institution should merge | Mike Gale | | Physical storage | No | 08/29/2014 | |

| # | Project | Tracker | Status | Priority | Subject | Assignee | Target version | Category | Sponsored | Start date | Estimated time |
|-------|-------------------------|---------|-----------|----------|--|---------------------|----------------|------------------------|-----------|------------|----------------|
| 2654 | Access to Memory (AtoM) | Bug | New | Low | Static page links not appearing as raw html | | | | | | |
| 13473 | Access to Memory (AtoM) | Feature | QA/Review | Medium | Start integration tests and run them in the CI process | | Release 2.7.0 | Continuous Integration | No | 02/09/2021 | |
| 4231 | AtoM Wishlist | Feature | New | High | Staged import | | | | Yes | | 50.0 |
| 11665 | Archivematica | Bug | New | Medium | SS: unable to browse filesystem when selecting "Relative Path" in location create/edit form | | Release 1.7.0 | Storage | No | 11/01/2017 | |
| 3768 | Access to Memory (AtoM) | Bug | New | Low | Specifying wrong standard template (e.g. ISAD) causes Fatal Errors | | | | | | |
| 8912 | Access to Memory (AtoM) | Bug | New | Medium | Source text provided for context in translation edit template does not escape HTML | | | Security | No | 09/03/2015 | |
| 2293 | AtoM Wishlist | Feature | New | Low | Source field (InfoObject, Actor, Repository, Term): replace by multiple source notes in Note table | | | | No | | |
| 10172 | Archivematica | Bug | QA/Review | Medium | Sorting of Tasks in Dashboard sometimes incorrect | | Release 1.6 | | No | 08/02/2016 | |
| 3151 | Access to Memory (AtoM) | Bug | New | Low | sort simple (non-auto-complete) drop-down select lists alphabetically | | | | | | |
| 2705 | AtoM Wishlist | Feature | New | Low | sort repository list by country | | | | | | |
| 1826 | Archivematica | Task | New | Low | Sort order of tasks | Mike Cantelon | | Dashboard | No | | |
| 13528 | Access to Memory (AtoM) | Bug | New | Medium | Some translations from the lib folder are not included in the messages files | | Release 2.7.0 | I18N | No | 06/17/2021 | |
| 13529 | Access to Memory (AtoM) | Bug | New | Medium | Some GUI strings are not translatable | | | I18N | No | 06/17/2021 | |
| 13527 | Access to Memory (AtoM) | Bug | New | Medium | Some dialog elements don't show translations | | Release 2.7.0 | I18N | No | 06/17/2021 | |
| 5963 | Access to Memory (AtoM) | Bug | New | Low | slug truncated if title starts with "A." | José Raddaoui Marín | Release 1.4.0 | Internals | No | 11/13/2013 | |
| 12001 | Access to Memory (AtoM) | Bug | New | Medium | Slug generation behavior not consistent between different workflow methods | | | Routing | No | 02/27/2018 | |
| 12648 | Access to Memory (AtoM) | Bug | New | Medium | SKOS source notes are not being imported | | | Taxonomy / Term | No | 12/18/2018 | |
| 652 | Access to Memory (AtoM) | Bug | Feedback | Medium | SKOS roundtripping - drops Broad Term and Related Term | José Raddaoui Marín | Release 1.4.0 | XML import / export | No | 03/19/2013 | |
| 6661 | Access to Memory (AtoM) | Bug | New | Low | SKOS import menu not showing taxonomies | Mike Gale | | Import/Export | No | 05/05/2014 | |
