#3 - 12/17/2012 04:59 PM - Joseph Perry

- Estimated time set to 16.00

- Sponsored set to No

Both sips and transfers have a column, but with different names. One should be updated to the other, preferably to a match of what's in the Files.

#4 - 12/19/2012 06:02 PM - Joseph Perry

- Target version set to Release 0.10-beta

The problem is updating all the code that references them.
