#### Description

##### To reproduce this error:

- 1) Switch current culture to something other than English
- 2) Upload a digital object

##### Resulting error:

Upload path is missing the "uploads" directory, e.g.  
<http://www.example.com/ica-atom/r/null/1/1/111/sample.gif>

##### Expected result:

Upload path should include "uploads" directory, e.g.  
<http://www.example.com/ica-atom/uploads/r/null/1/1/111/sample.gif>

[g] Legacy categories: Digital object
